## Why Horti ASIA

Horti ASIA is the international tradeshow for horticultural & floricultural production and processing technology, firstly launched in Bangkok, Thailand in the year 2012.

The profile of the show covering from pre-harvest to post-harvest such as seed, soil preparation, substrate, irrigation system, greenhouse, fertilizer, tool & equipments.

The objective of the show is to provide solution to serve horticulture industry (Fruit, Flower & Vegetable) in order to reduce the production cost and increase in quality & yield.
